Announcements/comments

Henry recognized Mrs. Langenfeld for her time served on council and thanked her for all her hard work.

Unfinished business

Norma shared with council that the slide show "Volunteers in Action" for the banquet was completed and it would be shown on large screens inside banquet hall. She played the slide show for advisory to watch and give any suggestions or comments.

Norma informed council that Congressman Silvestre Reyes should arrive at the Convention Center around 12:00 or 12:30. She also mentioned that our two sponsors Physicians Health and Humana would have tables set up in the foyer while volunteers wait to enter the main hall.

New business

Norma announced that advisory meetings for October and November would be cancelled, meetings would resume in December. She requested help for the Gift Giving Tree that would run from November 21st through December 15th, if interested in helping she asked advisory members to please e-mail or call Henry.
